

Spring 2020

Greetings SOU Retirees!

The Leadership Council is hoping all is well with you and your families during these most difficult times. I know, for myself, it has been so different just staying home and not being able to inter-act with my friends and family on a face-to-face basis. I know this shall pass and we will come through this crisis stronger than ever!

Usually this newsletter gives you information on the up-coming Spring luncheon, which has now been **cancelled** due to the Coronavirus. Because of this, the SOU campus is closed down and there no plans to reopen anytime before this summer, except for essential services.

There is not much to report to you at this time. If you have been following the market, you have found it going down for the moment. Presently we have \$49,563 in our scholarship fund. Hopefully, the market will turn around as soon as this virus is under control and we will gain back what we have lost.

There has been no word on who has been awarded our scholarship for next year. We will report this information to you as soon as we receive it.

For those with a virtual parking pass, remember to renew that pass this coming August and September. Renewal must be done each year. You can contact Jessica Wanderscheid at 541-552-6666. Email is best at Wandersje@sou.edu.

Luncheons for next year have not been reserved as yet. Your Leadership Council will get this information to you as soon as we have those dates.

The Leadership Council looks forward to seeing all of you next fall. Until then, be happy and enjoy the summer while staying safe. See you in the fall!
